# Stocking stuffers

BY PAM KRAGEN

San Diego's retail boutiques have been hard hit by the pandemic, so if you're looking for homegrown stocking stuffers, consider these items for your holiday gift-giving this year.

**Spice things up**

The 6-ounce bottles sell for \$9 at Fish Shop locations in Pacific Beach, Encinitas and Point Loma, as well as online. [shopfishshop.com](http://shopfishshop.com)
